SUMMARY

An excellent creative generalist. Aptitudes across multiple disciplines and accomplished at communicating "big picture" ideas and strategies. Excels in competitive environments and avoids taking the obvious approach to solving problems. Loves learning new skills and working on a wide variety of projects. Self-starter and side-project addict.

WORK EXPERIENCE

TRAINEE DEVELOPER @ CODECLAN (OCT '17 - MAR '18)

Working on full-stack projects using a variety of different languages and technologies. Project planning and UX design principles practiced throughout.

sQuid - a pocket money tracking app for kids. Built with Ruby (Sinatra framework), SQL and Postgres. Design in Photoshop, After Effects and raw CSS.

Ropascilispo - mobile version of Rock, Paper Scissors, built in Android Studio in Java. Design in XML, Photoshop and Illustrator.

pigibank - a cryptocurrency portfolio app built in raw Javascript (Express framework), design in Photoshop and Bootstrap CSS framework.

CREATOR @ THE ODD COMPLEX (TIME - present)

Working on creative projects including short films, animations, musicals and stories over the course of several years, from concept-to-completion with hands-on experience in every aspect of creation. Significant experience in writing, directing, videography, logo design, web design, musical composition - as well as social media marketing and brand development.

SIGNIFICANT ACHIEVEMENTS:
- Major Prizewinner for "21st Century Breakup" in My Rode Reel - the world's largest short film competition.
- Palme Dewar Grand Prizewinners

CONTENT CONTRIBUTOR @ BBC THE SOCIAL (OCT '17 - present)

Regular contributor to BBC The Social - Scotland's platform for Scottish content creators. Experience in Motion Graphics in After Effects, extensive use of audio technology. Creating resource-intensive content to incredibly strict deadlines.

NON-TECH WORK EXPERIENCE

Waitrose (Oct '13 - Apr '18) - customer support, deadline management and section leadership skills.
KUDOS Entertainment (May '13 - Sep '13) - chaperone for actors under 16 on a TV set, administrative duties, employee management and scheduling experience.

EDUCATION

BA(Hons) MUSIC (2:1) @ EDINBURGH NAPIER UNIVERSITY

SIGNIFICANT ACHIEVEMENTS:
- Alexander McCall Smith Prize For Composition (Prizewinner)
- John Napier St. Giles Cathedral Rememberance Concert (Official Selection)
- School & Class Representative
